CHRISTMAS SOCIAL****Online**

Following the upheaval of 2020, when we were only able to welcome 3 of our scheduled speakers and the unpredictability of 2021, when we hoped we would be able to meet in person, but it never quite happened, we have pleasure in bringing you the proposed 2022 Programme for KFHS.

You will see that the format for meetings is to move towards Winter meetings being held online [coloured turquoise in the calendar] and for Spring and Summer meetings to be held live at The Kenilworth Centre.

We are also sticking to the format established before lockdown of including a number of Members' Evenings during the year. These may be 'socials' or an opportunity for members to raise a subject, work on a project or tell their own stories. If you have a subject proposal for a Members' Meeting, please let the Committee know by emailing:

[KenilworthFHS@gmail.com](mailto:KenilworthFHS@gmail.com)

Our March meeting will be the first face-to-face meeting in 2 years and we really look forward to seeing our members again and welcoming you back.

Best wishes,
