Area of Interest: Our Society is the principal society for those with family history interests in the counties of Staffordshire, Warwickshire and Worcestershire. This includes the areas of 'old' counties, as they existed before the major boundary changes of the 19th and 20th centuries, as well as the areas brought into them by those changes. The modern metropolitan boroughs of Birmingham, Coventry, Dudley, Sandwell, Solihull, Walsall and Wolverhampton (collectively known as the West Midlands) are all within our area.

The aim of the Society is to promote interest in family history by offering help and advice to researchers through our educational courses; monthly meetings; publications and online resources: To help preserve records, archives and any other sources of material throughout our three counties by transcribing, indexing and publication.

Family History Centre based in Birmingham & Midland Institute, Margaret Street, 9, Birmingham B3 3BS with Library open before each of the monthly meetings held there. See society website for usual opening times.

Our Meeting Places

Birmingham, Kenilworth, Stoke-on-Trent, Stourbridge, Wolverhampton and London. See society website for locations. We also have social media presence.

Annual Programme Meetings of all Groups and special interest groups can be found on our website.

Publications Members receive the Society's journal, The Midland Ancestor, published four times a year either as a printed copy or as a download with an option for the monthly E-Newsletter.

Publications List: A current version of all the Society's publications is available online via the Society's e-shop at [www. http://bmsggh-shop.org.uk](http://bmsggh-shop.org.uk). Many of our publications are now available as downloads.

Coach Trips: We offer occasional trips from Birmingham to the National Archives Kew, important family history events and places of interest.

Names Match Service On joining you will be invited to sign up to our Members Interests Names Match Service by which you can share with other researchers, surnames that you are interested in. More details can be found on our website.

Search Services Depending on your interests and needs you may also be able to make use of: -

Marriage and Burial and other Indexes (Low-cost service): We maintain and continue to build Marriage and Burial Indexes for Birmingham, Staffordshire, Warwickshire and Worcestershire. (Birmingham is treated separately from Warwickshire in this context simply because it is so large). We have a variety of other specialist indexes, which are listed on the website under Search Services.
